REGISTRAR

Letter No. EB/330/2019, dated 03-07-2019

To
All the Principals of the Non-Autonomous Affiliated Engg. Colleges
JNTUH

Dear Sir/Madam,

Sub: Amendment in the R15 regulations – Intimation – Reg.
Ref: University orders dated 03-07-2019

*****

Several representations from the students of R15 regulation have been received to consider all theory subjects for the credits exemption for receiving their Provisional Certificates (PCs) instead of considering only the professional electives and/or open electives as prescribed in R15 regulations.

A committee is constituted to look into the requests submitted by the students and the prevailing regulations. The committee has thoroughly gone through all the issues and submitted its recommendations.

Vide ref. cited above, the permission has been accorded to consider all the theory subjects for the credits exemption for receiving the Provisional Certificate (PC) instead of considering only the professional electives and/or open electives. The Principals are informed to communicate the same to all the eligible candidates who desire to apply for their Provisional Certificates (PCs) with grace marks and/or undertaking letters.

Further the Principals are informed to educate the present IV year students about the provisions in R16 regulations (as it is the first batch with R16 regulations). The Principals are also informed to take an undertaking from all the IV year students in the first week of their semester commencement in the enclosed format.

The cooperation of the Principals is highly solicited.

Thanking you

Yours Sincerely

REGISTRAR
