NOTICE

All the Principals of affiliated colleges are hereby informed that, as per the directions of the University authorities, it has been decided to conduct the Supplementary Examinations in the middle of each semester, instead of conducting them along with the regular end semester examinations as per the existing practice.

This decision has been taken as the conduct of Supplementary Examinations along with the regular end semester examinations is causing difficulty in finalizing the list of promoted candidates within the stipulated time.

Therefore, all the Principals of affiliated colleges are hereby requested to intimate the above decision to all the students and advise them to take note of the revised schedule for the Supplementary Examinations.

The Supplementary Examination notification will be issued shortly. Tentatively, the Supplementary Examinations are proposed to commence from 15th October 2026.

The Principals are requested to ensure that the information is communicated to all concerned students without fail.
